

South Australian Museum
School holiday program

Finding frogs

July 2019

Hop to it: Bunnings craft activities

8–12 July, 10am–12pm daily

Main foyer

Drop-in, free

Drop-in during the first week of the school holidays and have fun making frog crafts with the Bunnings crew.

Citizen science spotlight

15–19 July, 1pm–2pm daily

Pacific Cultures Gallery

Drop-in (*space is limited; please arrive early to avoid disappointment*)

Ever wonder how you can be a scientist right now? Citizen science is the answer! Scientists will talk about their projects that involve engaging the public to watch out for wildlife. Each day will feature a different exciting project.

Lilypads and stamp pads

15–19 July, 10am–3pm daily

Main foyer

Drop-in

Create your own artwork using our frog life cycle stamps. Suitable for tadpoles and metamorphs – or kids young and old.

Ribbit ribbit: how to use the FrogID app

15–19 July, 11am–12pm daily

Pacific Cultures Gallery

Drop-in (*space is limited; please arrive early to avoid disappointment*)

Not just ribbits - croaks, whistles, bleats and barks! Using the Australian Museum FrogID app, learn to recognise different frog calls. By using the FrogID app, you can be a citizen scientist and be a part of one of the largest studies of frog calls in Australia.

This workshop will run you through how to use the app and what calls to listen for. We recommend downloading the app beforehand from <https://www.frogid.net.au/>.

For program enquiries, please email programs@samuseum.sa.gov.au or call 8207 7575.
