

## **'Night at the Museum' Sleepover Experience**

The *'Night at the Museum'* experience includes:

- exploring the Museum at night
- a private viewing of the *Dinosaur rEvolution* exhibition with special scientist guide
- dinner in our much loved World Mammals Gallery (*catered by our friends at Dinner Deli*)
- big screen movie in our cozy pop-up cinema space
- sleepover in your own personalised teepee (arranged in family camps)
- communal area for mixing with other families
- enjoying a continental breakfast watching the sunrise over the North Terrace Precinct
- experiencing an up-close and personal encounter with live animals and unique artefacts in the Discovery Centre before the Museum opens to the general public

What is provided:

- dinner
- snacks during the movie
- continental breakfast
- teepee (for child participants)
- mattress
- fitted sheet
- mattress protector
- light blanket
- pillow, pillowcase & pillow protector
- a unique Museum experience

What to bring:
