

SpaceFest School holiday program

WEEK 1

Bunnings craft

Drop-in during the first week of the school holidays and have fun with the Bunnings crew. We'll be making space-related crafts.

Star origami

Learn simple origami techniques to make your own paper star.

Meteorite or Meteor-wrong

Find out what makes a meteorite, a meteor or a meteoroid!

Monday 30.9.2019	Tuesday 1.10.2019	Wednesday 2.10.2019	Thursday 3.10.2019	Friday 4.10.2019	Saturday 5.10.2019	Sunday 6.10.2019
Main foyer – 10am-12pm daily						
Front lawns – 10am-3pm daily						
Main foyer 11am-2pm		Main foyer 11am-2pm		Main foyer 11am-2pm		

For booking enquiries,
please contact

or call 8207 7575.

WEEK 2

Star origami

Learn simple origami techniques to make your own paper star.

Inventors Inc.

Solve problems using cardboard and other recycled materials. How will we eat in space? What will space vehicles look like?

Tiny constellations

Make your own mini constellations at our craft table.

Rocket launch

Launch your own bottle rockets on the front lawns with Techspace Learning! Create your own bottle rocket with unique design features, decoration and a name, then operate the launcher controls to make your rocket fly.

Stardome

Crawl through the tunnel and explore another world in the Stardome. Learn all about the night sky with Sciworld educators and test your knowledge when you look at the southern hemisphere sky at night. There's so much to explore in our solar system!

Book your space here:
