

South Australian Museum

Kids' birthday parties

www.samuseum.sa.gov.au

The Museum Café is operated by the South Australian Museum Foundation for the benefit of the South Australian Museum.

**Museum
Café**

\$16 per child includes:

- Service of your BYO birthday cake with napkins, plates and forks
- Choices from our custom kids' menu
- Jugs of soft drinks and chilled water

When can I have my child's party?

Children's parties are held in the Museum Café, starting at 10am, 11am or 2:30pm (outside the lunchtime rush).

A minimum of 8 children is required. Final numbers for ordering are required by 3pm on the Thursday prior to the weekend of the party, or two days before a mid-week event.

How do I make a booking?

First, please call the café on **08 8207 7332** to check availability. Ensure you have the following information to hand:

- A mobile telephone number you can be contacted on
- Required date and time of booking
- Approximate number of children and adults attending

After checking availability, please confirm your booking by emailing **cafe@samuseum.sa.gov.au** and providing your food and beverage selections. We will then call you on the Thursday prior to the party for a final confirmation of numbers.

What entertainment is available?

Professor Flint the singing palaeontologist, as well as a cast of other characters, can be booked separately by calling Michael Mills on 0411 287 381. We suggest he is booked the hour prior to coming to the café. (Booking includes free CD for birthday child)

There are also lots of different ways your group can discover the Museum on their own.
